(PFM) which comprise of the Balance Sheet as at March 31, 2014, and the Revenue Account for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

- 2 Management of the PFM, in accordance with the Pension Fund Regulatory and Development Authority (PFRDA) Guidelines and the Investment Management Agreement (IMA) with the NPS Trust, is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Scheme in accordance with the accounting standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956, to the extent made applicable by PFRDA to Scheme. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements are also approved by the NPS Trust on the recommendation of the Board of Directors of the PFM.

Auditor's Responsibility

- 3 Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

- 4 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the PFM's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- 5 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

- 6 In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by PFRDA (Preparation of Financial Statements and Auditors Report of Schemes under National Pension System) Guidelines 2012 and give a true and fair view in conformity with the accounting principles generally accepted in India:
- in the case of the Balance Sheet, of the state of affairs of the Scheme as at March 31, 2014;
 - in the case of the Revenue Account, of the surplus of the Scheme for the year ended on that date;

Emphasis of Matter

- 7 As explained in Note No. 6A giving background of the Scheme regarding unbundled architecture, wherein PFM receives consolidated funds and does not have access to the individual subscribers' data. Based on the individual subscribers' data and break-up of balance in bank accounts provided to us by the CRA, without modifying our opinion, we invite attention to the followings:
- ₹ 2,496,355 is lying with Trustee Bank as on 31st March, 2014 (Previous Year: Not available) the units in respect of which have been allotted in the next financial year on receipt of funds by the PFM. Accordingly, the subscription received pending allotment as well as balances with bank are understated by the said amount.
 - 10,827.5506 Units, valued at ₹ 174,133 as on 31st March 2014 (Previous Year: Not available) is lying in the name of "CRA Billing Account" maintained by CRA. As explained by CRA, this represents units redeemed on 28-03-2014 by CRA towards its charges, funds in respect of which has not been claimed from PFM, which has been paid by the PFM in the next financial year. Accordingly, the unit capital and unit premium as well as current liabilities are overstated

by the said amount.

- c. 3.7498 Units, valued at ₹ 60 as on 31st March 2014 (Previous Year: Not available) termed as "residual units", which are not allotted to any investor and represents rounding off differences. The PFRDA, vide its letter dated 26th May, 2014, has advised the redemption of residual units in the case of other scheme and transfer the proceeds to the Investor Awareness Fund. However, this does not have any material impact on Financial Statements.

Report on Other Legal And Regulatory Requirements

8 As required by the PFRDA (Preparation of Financial Statements and Auditors Report of Schemes under National Pension System) Guidelines 2012, as amended, we report that:

- a. We have obtained all information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.
- b. The Balance Sheet and Revenue account of the Scheme are in agreement with the books of account of the Scheme.
- c. In our opinion, proper books of account of the Scheme, as required by the PFRDA have been maintained by the PFM so far as appears from our examination of those books.
- d. In our opinion, all transaction expenses in excess of the limits contractually agreed to / approved by the PFRDA are borne by the PFM and are not charged to the NAV of the Scheme.
- e. In our opinion the Balance Sheet and Revenue Account of the Scheme dealt with by this report comply with the Accounting Standards notified under the Companies Act, 1956 to the extent made applicable by PFRDA.
