Subject: In-Person Verification (IPV) through Web Camera

35P/MEM-COR/53/ 13-14

January 21, 2014

Dear All,

Re : In-Person Verification (IPV) through Web Camera

This has reference to our e-mails no. 35P/MEM-COR/08/12-13 dated August 07, 2012 and 35P/ MEM-COR/41/12-13 dated January 29, 2013 regarding updation of additional/ missing information by the investors who had completed KYC formalities prior to January 01, 2012.

Individual investors are required to undergo In-Person Verification (IPV) as a part of updation of additional/ missing information with KRA. It is now clarified by SEBI that as per the SEBI KYC circulars issued from time to time, In-person verification through web camera can be performed by any intermediary and records of the same shall be maintained.

AMCs are requested to note the same.
